

Stud Service Agreement for Matings in the UK

1. Bitches must be healthy, free of infection, fully vaccinated and over 20 months of age.
2. A copy of K.C. registration and 3 generation pedigree to given prior to day of mating.
3. It will be the bitch owners responsibility to present the bitch when she is ready for mating, we recommend bitches to be blood tested to give accurate progesterone levels, indicating optimum time of mating.
4. Pick of litter can be negotiated at the discretion of the stud dog owner, if not £400.00 to be paid at the time of the First mating, a further £400.00 to be paid when pregnancy is confirmed by scan at 4 weeks, if not paid before the birth of the pups then FIRST pick of litter will be taken and previous payment forfeited, K.C. paperwork will NOT be signed until FULL payment has been received.
5. A total of 2 matings will be offered.
6. Telephone advice is available prior to mating, during pregnancy and at time of birth.
7. If no puppies or only one puppy is born a repeat mating will be offered with the same bitch, £400.00 to be paid when pregnancy is confirmed by scan at 4 weeks, FIRST pick of litter will be taken if payment is not received before birth of the pups, K.C. paperwork will not be signed until FULL payment has been received.
8. Puppies must ONLY be sold to private individuals, NOT puppy dealers or pet shops.
